Group 2700

RESPONSE TO ACTION DATED OCTOBER 19, 1998

Please amend the application as follows.

In The Specification:

Page 7, line 16, after "sentences" insert ---.

RECEIVED  
NOV 25 1998  
GROUP 2100

In The Drawings:

Amend Fig. 15 as shown in red ink on the attached  
sheet.

In The Claims:

1. (Amended) A method of correcting incorrect text  
associated with recognition errors in computer-implemented speech  
recognition, comprising:

performing speech recognition on an utterance to  
produce a recognition result for the utterance;

identifying a correction command in the recognition  
result for the utterance; and

[producing] identifying corrected text from a portion  
of the recognition result for the utterance.
